KSL Television Channel 5 and General Motors will join forces to present "The Best of the Class of '86," a public service project recognizing academic excellence among Utah high school students. Beginning in June, the station will broadcast a number of 30-second public service announcements featuring the students.

Laurisa Ward, a member of Wasatch High School's graduating class, is one of the featured students. Ward plans to further her education in music at Brigham Young University. According to Jackie Nokes,

KSL community affairs liaison/education specialist, public and private high schools in the state were invited to participate. The spots were produced in KSL Television's studio.

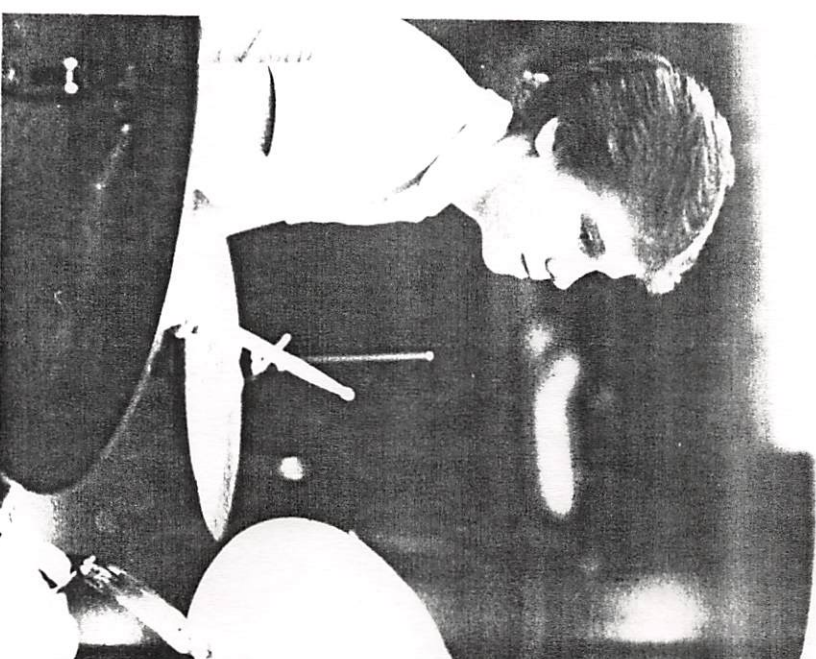

The students were selected by each school's principal. In most cases, they were the class valedictorians. Most of the participants had between 3.9 and 4.0 grade point averages.

"The Best of the Class of '86" project is being overseen by Nokes. KSL Television's Norm Nelson produced the spots with assistance from Riki Rahner.

PAYSON — American Fork won eight of 12 matches enroute to a 33-24 upset of Payson in prep wrestling action Tuesday. In other matches, South defeated Provo 35-29 and Timpview downed Millard 30-24.

Payson was hurt by the absence of four of its starting wrestlers due to a scheduling problem. Each wrestler may only wrestle 24 matches during the season. Payson has 25 matches scheduled so each wrestler must sit out at least one match; four did so Tuesday.

Provo lost the first four matches but came back to take a 29-26 lead with two matches remaining. At 185 pounds, Provo's Brian Johnson was trailing 3-2 when he was put on his back and pinned at the buzzer. In the heavyweight match, Curtis Miller lost a 2-1 decision due to a penalty point assessed because of an illegal hold.

Timpview, hurt by the necessity of forfeiting the final two matches, survived a scare from Millard. Timpview won the first five matches, but Millard came back with two consecutive pins. Scott Giles clinched the victory for the T-Birds at 167 pounds by pinning his opponent.

Takedowns seemed to be the key for Timpview in the several close matches. "We dominated, but the matches were good, close matches,"

said Timpview coach Wayne Sorensen. "We beat them on the takedown and rode them a little better."

Mike Sorensen, Lyle Larsen, Scott Holmes, James Larsen, Peter Larsen, Pat Byjoe, Randy Sorensen and Giles were winners for Timpview.

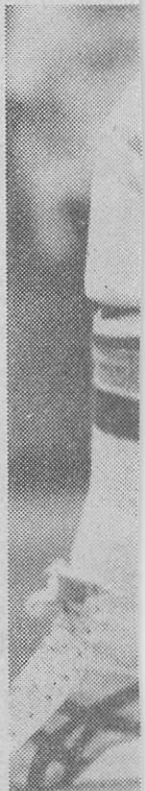

Individual results:

American Fork 33, Payson 24.

Timpview defeats

62-56 for 5-0 record

By Bill Current

Utah County sports director

PROVO — The Timpview Thunderbirds ran their pre-season basketball record to 5-0 with a 62-56 win over 4A Alta High School. In other out-of-county games, Payson held on to win over Tooele 63-59, Cyprus clobbered Springville 80-64 and American Fork fell to Viewmont in a close one, 74-72.

Timpview 62, Alta 56

Mark Finlayson led a well-balanced T-Bird attack with 17 points as Timpview put yet another win in the victory column without a loss. Finlayson was followed by Todd Skousen with 14, including 10-13 from the line.

The Thunderbirds came out strong from the beginning, taking advantage of numerous Alta turnovers. But the Hawks came right back, rebounding from a 34-25 deficit at the half to pull within one with just over two minutes to play. But it was the nearly flawless free-throw shooting of Skousen and his teammates that sewed the game up for the Birds.

With the pressure mounting, Skousen hit eight in

a row from the charity stripe in the closing of the ball game, and Timpview as a team for 16 in the fourth period alone.

Payson 63, Tooele 59

For the Lions, a usually weak team from throw line, it was time to make amends for mistakes. After watching a 10-point lead melt away to a mere point, Payson connected on 6 of 10 from the line in the fourth period to claim the pre-season title.

"We really kept our composure," said senior Jim Griffin. "When we needed the ball down the stretch, we made them."

Senior co-captain Sterling Haskell led the attack with 24 points. "Haskell kept us in the game all night," said Griffin.

Haskell was followed by fellow captain Quackenbush with 11 and Lane Wright with 10.

Cyprus 80, Springville 64

The Red Devils saw their pre-season record drop to 2-4 as the Cyprus Pirates moved out of the top and never trailed in the game.

SPANISH FORK — Mountain View's Kent Lane sank a 15-foot jump shot from the right of the key with one second left in the game Tuesday night to lift the Bruins to a 40-38 win over a scrappy group of Spanish Fork Dons.

Andy Osborn had one last chance to tie the game with a desperation shot from half court, but his attempt at the final buzzer bounced off the rim to seal the Bruin victory.

Lewis got Mountain View off to a flying start by scoring the game's first six points, followed by another bucket after Chad P. Beck had gotten the Dons on the board with two free throws.

Brad Taylor then got hot for the Dons with three straight baskets, including a 17-foot jumper that tied the game with 1:52 left in the first period. The score remained close until the Bruins rattled off nine straight second-
